

# Linear Series Silicone 6x12mm

## Specification Data

|                   |                                          |  |                 |
|-------------------|------------------------------------------|--|-----------------|
| Model no.         | FNF612-12/24-CC                          |  | FNF612-5-CC     |
| Light source      | 120pcs/m SMD2835                         |  | 96pcs/m SMD3535 |
| Dimension         | 6x12mm                                   |  |                 |
| Power consumption | 10W/m                                    |  | 19.2W/m         |
| Cutting interval  | 2.5cm/5cm                                |  | 2.5cm           |
| Voltage           | DC12/24V                                 |  | DC5V            |
| Beam angle        | 160°                                     |  |                 |
| Bend radius       | min.30mm                                 |  |                 |
| Luminous flux     | 60lm/W                                   |  |                 |
| Application       | Accent lighting/contour lighting/signage |  |                 |

## Product Feature

Beam Angle

Bending Diameter

Flame Resistant

UV Resistant

Solvents Resistant

Saltwater Resistant

IP 67 Protection

IK 08 Protection

3 Years Warranty

## Dimension & Bending Direction
